Subject: FW: Gasco Fill Water-Bearing Zone Technical Memorandum
Attachments: Gasco_Single-well Constant Rate Test_SOP_2016-03-18.pdf

Dana –

In response to phone conversations with Pradeep Mugunthan and John Renda on 3/7/16, attached is our SOP for single-well, constant-rate pump tests. We are scheduled to begin the pump tests on 3/28/16.

Please let John Renda or Pradeep know if you have any questions.

Thank you,
Jen Mott ☺

Subject: Gasco Fill Water-Bearing Zone Technical Memorandum

Dana,

As a follow-up to John Renda's discussion with you on conducting additional pump tests, attached please find a technical memorandum Re: Additional Testing and Data Collection Proposal to Constrain Fill Water Bearing Zone Hydraulic Conductivities and Recharge Rate in Gasco Groundwater Model.

Please contact Pradeep or John Renda with any questions.

Thank you,
Jen Mott ☺
